

ANNOUNCEMENT

OrganoClick AB Appoints New Business Developer

Sweden, 1 February 2007 - OrganoClick AB has appointed Mårten Hellberg as a new business developer. Mårten has a background from the biotechnological field and has knowledge both in business development and engineering. He will mainly be responsible for developing the company's different areas and its organization.

About OrganoClick AB

Founded in 2006, OrganoClick AB is a spin-off company from Stockholm University and the University of Agricultural Science in Uppsala, Sweden. OrganoClick AB develops and manufactures bio-fiber materials and chemical products with highly specialized functions by using its proprietary technology platform.
