OrganoClick Emerged Top 50 for Inaugural Nordic CleanTech Nomination

Sweden, 5 May 2009 – OrganoClick has been distinguished as one of the 50 most promising Scandinavian cleantech companies by the organization Cleantech Scandinavia, out of the 145 nominations.

To qualify for consideration, candidate cleantech start-up and growth companies needed to be unlisted and with headquarters in one of the Nordic countries (Denmark, Finland, Iceland, Norway, and/or Sweden). The jury for Nordic Cleantech 50 considered OrganoClick in 3 areas: innovation, market and ability to execute.
